Honorable Richard Helms
Director, Central Intelligence Agency
Washington, D. C. 20505

Dear Mr. Helms:

On behalf of the Williams interns who met with you last weekend, I would like to thank you for discussing with us the role of the Central Intelligence Agency in the government and the world issues confronting the government which the CIA must deal with. Our seminar with you was, without question, one of the high points of the summer and I can assure you that the reaction to it among the other interns has been quite positive.

Again, thanks for taking the time to meet with us.

Sincerely,

Paul A. Grossberg
